

Engine

Perkins 4-236 Diesel

This engine was installed in 2002 and is an upgrade from the original 4-108.

Engine Hours

3300 hrs. The reputation of this engine model is that it has many more hours left.

Our mechanic did a recent inspection: cleaned heat exchanger and replaced exhaust elbow with new Stainless Steel unit as well as hose.

Propeller

Bronze, 4-bladed, 22"

Shaft

1 3/8", Stainless Steel

Transmission

Borg Warner Velvet Drive, direct drive
